

Samsung EVO Plus 64GB microSD Card - Datasheet

| Specification | Details |
|-----------------------|------------------------------------------------------------------------|
| Brand | Samsung |
| Series | EVO Plus |
| Capacity | 64GB |
| Form Factor | microSDXC |
| Interface | UHS-I |
| Speed Class | Class 10 |
| UHS Speed Class | U3 |
| Video Speed Class | V30 |
| Application Rating | A2 |
| Max Read Speed | Up to 130 MB/s |
| Max Write Speed | Up to 60 MB/s (varies) |
| NAND Type | TLC NAND |
| Compatibility | Smartphones, Tablets, Cameras, Drones, Gaming Consoles |
| Operating Temperature | -25°C to 85°C |
| Storage Temperature | -40°C to 85°C |
| Durability | Waterproof, Shockproof, Temperature-proof, X-ray Proof, Magnetic-proof |
| Adapter Included | Yes (SD Adapter) |
| Warranty | 10 Years Limited Warranty |
