Rigorously tested

All Lexar products undergo extensive testing in the Lexar Quality Labs, facilities with thousands of different cameras and digital devices to ensure performance, quality, compatibility, and reliability.

All Lexar memory cards have been tested under a variety of tough conditions. These cards are proved to be water resistance, temperature-resistance and drop resistance.
For additional information on product, warranty or return information go to www.lexar.com/support

Quality   Performance   Compatibility   Reliability
